Wedding Weekend

“Thank you! Our New England Clambake at Salem’s Winter Island Park on June 28th was PERFECT! The entire event exceeded our expectations. Your team fed about 60 people – most of them from the mid-west and at their first clambake. The food was delicious and the service was smooth, friendly and efficient. We all left FULL of clams, lobster, and all of the trimmings. Thanks for adding another great memory to our daughter’s wedding weekend.”

More Letters from Satisfied Customers . . .

Dear Larry,

I am at a loss for words! You guys were GREAT!! Not only was the food excellent, your setup and breakdown was smooth. When we decided to have a clambake I called different places – you just made me feel so at ease. I didn't even notice when you set up and broke down. People are still raving not only about the quality and quantity of the food, but your service and staff and their professionalism.

Thank you for making our wedding a huge success, no one went away hungry & I've heard several comments of "It's the best wedding I've ever been to."

Please feel free to use us as a reference anytime.

Sincerely,

Barbara and Paul Miller

Dear Judy and Larry:

This is a warm note of gratitude for your five star food and superb service at our backyard clambake and celebration of our 50th wedding anniversary on July 3. Your son Jeff and co-worker were timely, efficient, courteous, and very skilled at cooking and serving. Our family and guests raved at the high quality of the food, and my sister, who is a lobster consumer expert of many years, and who just came in from six weeks of lobster eating across New England, declared that your lobsters were the best she has had this year! She brought her own bib and tools not knowing that you provide everything. Jeff and his sidekick cleaned up spotlessly, the feature which had led us to you in preference to Woodman's in the first place.

When we have another clambake you will be our first and only choice.

Many thanks,

Robert A. Dentler

Dear Larry,

You are fantastic!

Thank you so much for being part of our "Employee Appreciation Day." You, Gretchen and Tom were so wonderful, courteous, friendly and fun to be around. I'm sure all the people at Ipswich Clambake Company are outstanding! You did such a fantastic job. We were in awe watching the setup, preparation, serving and cleanup with such precision and ease. You made it look effortless. The food was absolutely wonderful. It was so fresh, delicious and well prepared. No one went home hungry.

I've received many, many thanks for finding you and the location so I pass all those thanks on to you thanks for making me look good.

It is very difficult to please everyone when planning large events. I must tell you, everyone left with a smile on their face. The weather was certainly on our side and the location was spectacular. This will definitely be a repeat event.

Thanks for a job well done and being part of our special day.

Sincerely,
Kitty Cole
